

# WE'RE REBRANDING

## Welcome to the NEW Wolter

You may recognize us as the Wolter Group – or any of our top quality brands:

- ▶ Wisconsin Lift Truck
- ▶ Illinois Material Handling
- ▶ Ellis Systems
- ▶ Bohnert Equipment Company
- ▶ Kensar Equipment Company
- ▶ A D Lift Truck
- ▶ Fleet Services
- ▶ Wolter Power Systems

## What to Expect

Over the coming months, we'll be transitioning to our new brand – fully effective in January 2022, and complete with:

- ▶ Strategically added new product lines
- ▶ Services & capabilities to better meet your needs

## More than Just a New Name

Rest assured, you'll still work with the same contacts that you have come to count on – you'll just see a more collaborative approach among our product experts.

## Think of us as your Ultimate Productivity Toolbox

From material handling solutions to cranes & hoists, automation & robotics, railcar movers, standby power & generators, complete engineered systems, workplace storage and more!

## Integrated Solutions

Together, our unique combination of expertise and resources can help you transform today's operational expenses into tomorrow's new revenue streams.

See what the future of operational productivity looks like for you.
